

# South East Faculty of Clinical Educators

## Symposium 2012

**Using new advances in Cognitive Psychology  
to enhance learning in a 21<sup>st</sup> Century NHS**

Dr Tom Reader

**Wednesday 22<sup>nd</sup> February 2012  
3 - 5pm**

Chancellors Building Auditorium A,  
The Royal Infirmary of Edinburgh

**FREE to all NHS and university staff**

Dr Tom Reader is a Lecturer in Organisational and Social Psychology at the London School of Economics (LSE). He researches the relationship between organisational psychology (e.g. decision-making, teamwork, leadership, culture) and human error/accidents, and has published widely on the topic of medical error and patient safety in the provision of critical care medicine.
