

## **Vacancy: Clinical Skills Facilitator**

**Base: Clinical Skills and Simulation Centre, University of Edinburgh, Little France**

**£30,424 - £39,649 (University of Edinburgh Band 7)**

This post offers a fantastic opportunity for a dynamic and enthusiastic nurse educator to enhance the undergraduate medical programme by teaching clinical and resuscitation skills to medical students. You will be part of a team providing a structured programme of Emergency Care, Clinical and Resuscitation Skills teaching within the Clinical Skills and Simulation Centre in Chancellor's Building at Little France in Edinburgh. Applicants should have a recent clinical nursing background with excellent clinical skills and experience in teaching, learning, assessment and feedback.

The post is for two years in the first instance with the possibility of extension/renewal thereafter. Part-time or job share applicants (including combined clinical/teaching posts) will be considered - please indicate in your application how many days you would want to work.

Informal enquiries to Trisha Lamb, CME Secretary, on 0131 242 9414 in the first instance or email: [trisha.lamb@ed.ac.uk](mailto:trisha.lamb@ed.ac.uk)

**Closing date: Friday 16<sup>th</sup> August 2013**

If you have not been invited for interview by Monday 19th August, then you have not been successful on this occasion.
