## Role Descriptor & Expectations

### PG Clinical Educator
- Provides graded clinical supervision in the workplace
- Identifies learning opportunities day-to-day
- Provides feedback on performance and undertakes WPBA or SLE if requested

### PG Clinical Educator & Named Clinical Supervisor (NCS)
- Responsible for overseeing a specified trainee's clinical work throughout a placement in a clinical or medical environment
- A clinical unit will have a cohort of NCS who will be allocated to Foundation, Core and Specialty Trainees on a placement basis
- The NCS will provide constructive and developmental feedback during the placement on a regular basis in trainee focused time
- Will lead on providing a review of the trainee's clinical or medical practice throughout the placement that will contribute to the educational supervisor's report

### PG Clinical Educator & Named Educational Supervisor (NES)
- Every PG trainee in a specialty programme must have a named ES
- The ES is responsible for the overall supervision and management of a trainee's trajectory of learning and educational progress during a placement or series of placements i.e. a programme
- Helps the trainee to plan their training and achieve agreed learning outcomes over a period of time
- Responsible for the educational agreement and for bringing together all relevant evidence to form a summative judgement at the end of the placement or series of placements.
- Writes the ESSR [Educational supervisors structured report]

### General Principles:
- Every trainee [FY, CT, ST] in NHS Lothian will have 1 (one) hour of developmental (trainee focused) supervision per week [on average]
- Arrangements for [named] Clinical and Educational supervision will vary in structure dependent on the clinical specialty, number of trainees in programme and the physical setting of the activity. For example, a specialty may merge the roles of NES and NCS – in this circumstance, the tariff for NCS will apply. Agreement and clarity should be sought from the unit CD, specialty TPD or FPD and local ADME as to best fit of these models to your circumstance.
- **No individual clinician educator will accrue more than 1 SPA (4hrs /week) for total educational activity unless in a named education management role**
